The Audi Q7

Pricing and Specification Guide

Valid from November 2014

Personalising your Audi Q7

This guide has been designed to help you tailor and price your Audi Q7 quickly and logically. At the back, you will find information on CO_2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance. You can also configure your Audi Q7 online at audi.co.uk

Get more from this brochure with the free Audi Vision app.

Audi Vision brings our brochures to life through Augmented Reality. It works by recognising images on a page through your device's camera. Suitable for phones or tablets, download it for free from the App Store or Google Play. Once downloaded, simply open the app and scan the cover of your guide. Then look out for any page with the Audi Vision logo, you can then hold your device over the page and watch as you get exclusive access to extra images, information and video content.

IN Q 7119

The Audi Q7 is available with our latest technology

The Audi Q7 is available with a choice of powerful engines, all of which use advanced fuel-injection technology. Features include adaptive air suspension, rear acoustic parking, rear LED lights and an optional HDD-based navigation system, as well as one other trademark Audi innovation: road-holding quattro® permanent all-wheel-drive, which keeps the car balanced in all conditions, across any terrain. Whichever model you choose, you'll also benefit from the practical 7-seat interior, which leaves enough room for the whole family.

Q7 interior story

We've introduced a number of finishing touches to the Audi Q7 interior to make your driving experience both comfortable and unique. You'll find an impressive attention to detail in everything from the luxurious leather seating to our optional customised stitching, which means that every journey you make will be a personal one.

Engines

Diesel

We introduced TDI® to the roads in 1989, and since then we've continuously refined it, including developing common-rail technology. Under this system, a series of piezo injectors uses electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which lowers emissions.

Images for illustrative purposes only.

Transmission

8-speed tiptronic

The Audi Q7 comes with an advanced 8-speed tiptronic transmission system which reduces both fuel consumption and CO_2 emissions. It converts high-torque engine power into sporty performance and operating convenience, with crisp, fast gear changes and an optimised gear-shift strategy. More spontaneous gear changes are a particular benefit, especially when downshifting. Both in the ‘D’ (Drive) and ‘S’ (Sport) programme, the advanced electronics used in tiptronic respond efficiently to every driver input.

Efficiency

At Audi, doing less is something we're trying to do more of. We're working to use less fuel, release less CO_2 and waste less energy. It's why we've incorporated a number of more efficient technologies into the Audi Q7.

Recuperation

When a vehicle brakes, the discs convert the kinetic energy into thermal energy, which is wasted as it cannot be used. With a recuperation system like the one in the Audi Q7, the kinetic energy is converted into useful electrical energy. The way it works is simple. While the car is coasting or braking, the alternator voltage is raised above the level of the basic electrical system, which enables the alternator to generate electrical energy and store it temporarily in the battery. When the vehicle accelerates, this energy is used to relieve the load on the alternator, resulting in a fuel saving of up to 3%.

Image shows the Q7 S line model with optional Ice silver, metallic paint (P5) and stainless steel running boards (YNB)

Images for illustrative purposes only.

Aerodynamics

A car's shape can have a big impact on its efficiency. It's why we've worked to make the Audi Q7 as aerodynamic as possible, including technology such as adaptive air suspension that responds to changes in speed. It means that the Audi Q7 becomes more aerodynamic at high speeds while still offering good ground clearance in off-road situations.

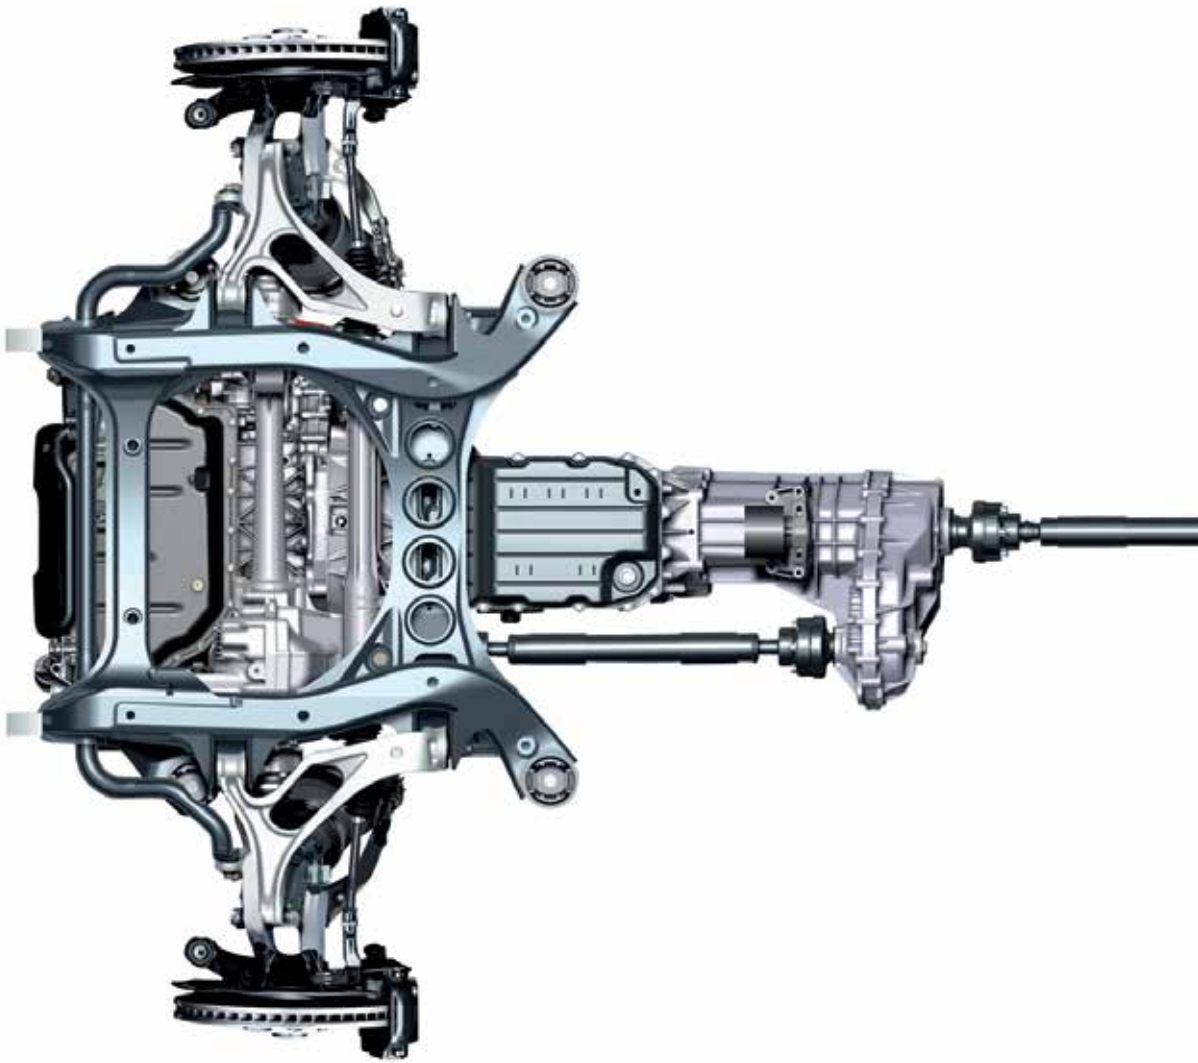
Automatic Start-Stop function*

In heavy traffic, your car still uses fuel and releases CO_2, even when it's stationary. The automatic Start-Stop function counteracts this problem by switching off the engine when your car comes to a standstill. As soon as you release the brake pedal, the car restarts.

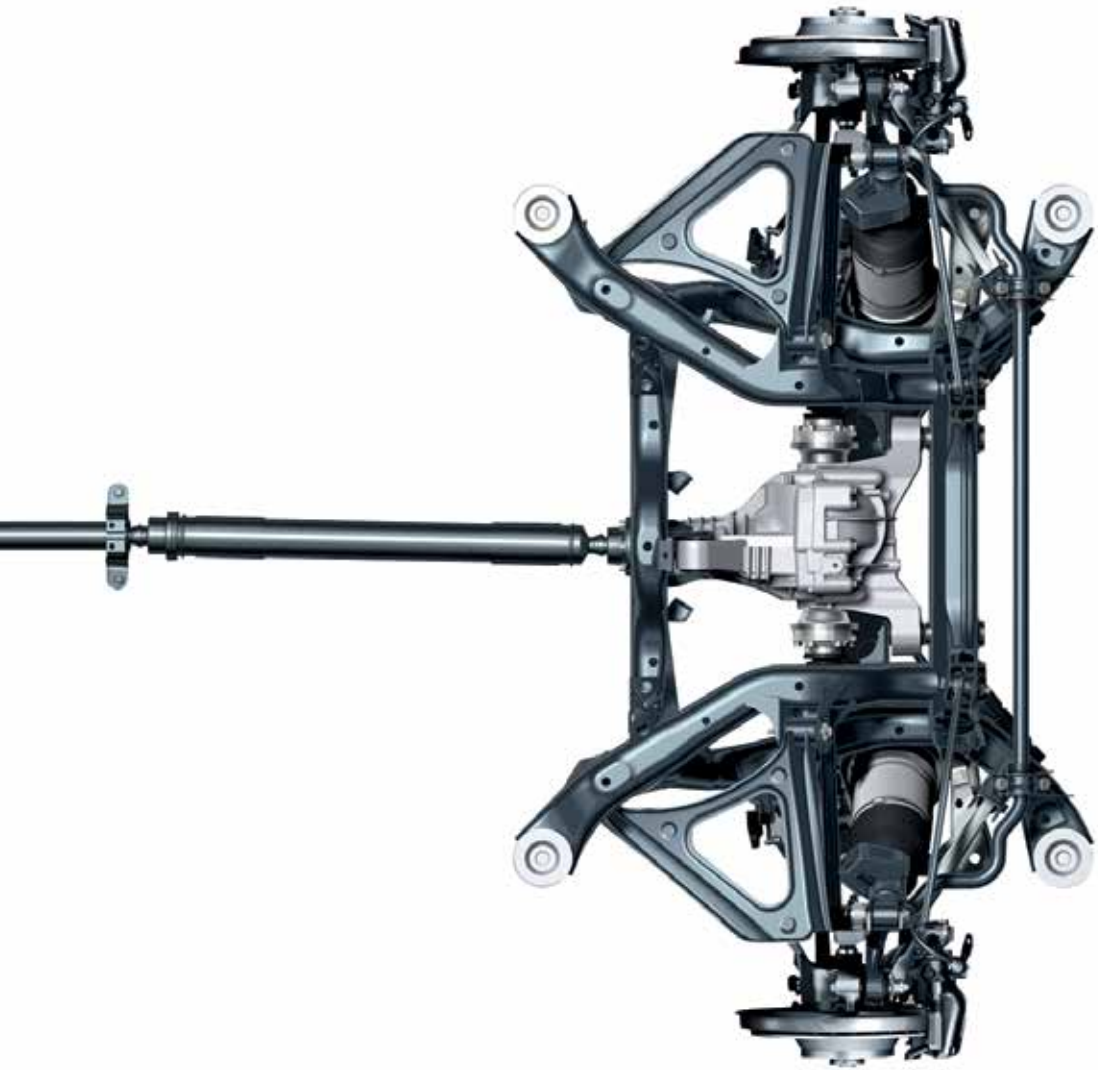
*Only available on 3.0 TDI engines.

quattro®

It’s the technology that gave us the edge on the rally circuit from the moment it was first introduced over 30 years ago, bringing victory for the Audi quattro on its very first outing. It’s called quattro® permanent all-wheel-drive. In this system, four permanently driven wheels deliver better acceleration, road-holding and safety, while asymmetric-dynamic torque distribution intelligently controls the flow of power to the front and rear axles.



Images for illustrative purposes only.



It means that the Audi Q7 can ‘read’ the road, sensing changes in the surface beneath the wheels and adjusting their grip accordingly. So when conditions get a little more demanding – in particular, when you go off-road – quattro® adapts, putting all the force of the Audi Q7's engine precisely where it’s needed to handle the change in terrain.

S line model equipment

All Q7 S line models have the following items of standard equipment

Engine and transmission

Start-Stop system with energy recuperation (3.0 TDI engines only)

Wheels, tyres and suspension

20” x 9J ‘5-spoke’ design alloy wheels with 275/45 R20 107Y tyres

Collapsible spare wheel with compressor – maximum speed 50mph (3.0 TDI models only)

Tyre repair kit (4.2 TDI models only)

Adaptive air suspension – electronically controlled air suspension with continuously adaptive damping system for all four wheels which regulates ride height and damping automatically. Choice of 5 modes (automatic, comfort, dynamic, off-road and lift) selected via the MMI system

Locking wheel bolts

Tool kit and car jack

Parking brake – foot-operated

Servotronic steering – power-steering with speed-dependent control

Safety and security

Driver’s Information System (DIS) – monochrome display in the direct field of view of the driver. The DIS displays information from the on-board computer and digital speed display. The integrated efficiency programme provides consumption data overviews and fuel-saving tips

Cruise control

Light and rain sensor

Rear parking system – acoustically indicates how far away the vehicle is from an obstacle at the rear

Tyre pressure loss indicator – visual and acoustic warning if the pressure drops in one or more tyres

Double glazing – windscreen and side windows in 2-layer laminated safety glass, connected to each other by a plastic film. Improves insulation against outside noise and adds break-in protection

Side airbags for driver and front passenger

Side-impact protection in the doors

Sideguard head airbag system over the entire length of the side windows to protect front and outer rear passengers in the event of a side impact

Anti-theft alarm – Thatcham Category 1 approved

Anti-lock Braking System (ABS) and Electronic Brake-force Distribution (EBD)

Electronic Stability Control (ESC)

Electronic Differential Lock (EDL)

First-aid kit with warning triangle

20” x 9J ‘5-spoke’ design alloy wheels

Front Sports seats in Pearl Nappa leather/Alcantara

Seats

7 seats (3 rows of seats) – second and third row can be split and folded flat to form a level load area

Front Sports seats, electrically adjustable with adjustment for forwards/backwards position, seat height, seat and backrest angle, and electric lumbar support

Pearl Nappa leather/Alcantara upholstery

Seat heating for front seats

ISOFIX child seat mounting – for front passenger (with airbag deactivation) and outer rear seats of the second and third row. Including Top Tether attachment point for outer rear seats of the second row

Audio and communication

MMI Radio Plus:

- 6.5" screen with colour display
- FM/AM radio
- DSP sound system
- 2 SDHC memory card readers (up to 32GB and a single CD player that supports MP3, WMA and AAC)
- TP memo – automatically saves traffic news when driving

DAB digital radio reception

Mobile telephone preparation – Bluetooth interface

Interior equipment

Dual-zone electronic climate control

3-spoke, multi-function, leather steering wheel with gear-shift paddles

Auto-dimming rear-view mirror – uses a photocell to recognise when the headlights behind are too bright and dims automatically

Comfort front centre armrest

Rear centre armrest in rear-seat backrest, folding, with 2 cup holders

Cup holders – 2 in side trim of third seating row

Inlays in matt-brushed aluminium

Aluminium-look air vent surrounds

Illuminated vanity mirrors

Lighting package – includes door lighting under the exterior door mirrors, ambient LED lighting of the centre console, active door reflectors in the front and rear doors, footwell LED lighting at front and rear, rear door exit lights, lighting for air vents in the B-pillar and ashtray in the rear

Floor mats – front and rear

12V sockets – 1 at front of centre console, 2 at rear of centre console and 1 in luggage compartment

Cargo nets on backs of front seats

S line scuff plates

Double load-floor with storage compartment and dirt-resistant tray

Luggage compartment cover

Luggage and storage net in luggage compartment

Through-load hatch in the rear-seat backrest

Black headlining

Exterior equipment

Headlight washers

S line badge on side wings

S line body styling, fully body coloured with chrome trim on the front and rear bumpers, door plates and chrome inserts on the door handles

Door mirrors – electrically adjustable, heated and folding

Xenon Plus headlights with LED daytime-running lights and LED indicators

Rear LED lights

Aluminium roof rails

Aluminium window trim framing the exterior side windows

Xenon Plus headlights with LED daytime-running lights

3-spoke, multi-function, leather steering wheel

Aluminium window trim

S line Plus model equipment

In addition to S line model equipment

Basic RRP
£3,750.00

Total RRP inc VAT
£4,500.00

Wheels, tyres and suspension

21” x 10J ‘5-segment spoke’ design alloy wheels with 295/35 R21 tyres

Seats

Verano leather upholstery

Exterior equipment

Privacy glass – dark tinted glass from B-pillar backwards

Running boards

Metallic or pearl-effect paint – a choice of 11 colours

Power-operated tailgate – opens by pressing button on the car key, button in the driver’s door trim or soft-touch button in the handle recess on the luggage compartment lid. Includes lid-closing assistance unit and programmable angle for the luggage compartment lid

Audio and communication

Satellite Navigation system, HDD-based including MMI Radio Plus – route planning and guidance using voice, pictogram and 3D mapping. Includes AM/FM tuner with TP memo function. Single front-loading CD/DVD player with MP3 compatibility, suitable for audio and DVD playback. Third generation MMI system including high-resolution (800x400) 7” colour TFT display, two SD card readers and 40GB hard drive, 10GB of which can be used to store up to 4,000 songs. HDD navigation functionality includes advanced speech recognition, 7-digit postcode functionality, 3D and topographical mapping display, and advanced 3D building display

Mobile telephone preparation, High with Audi connect – allows a Bluetooth-capable mobile phone to connect to the vehicle’s internal UMTS module (providing the mobile phone has a SIM Access Profile*). This allows the navigation to use Google Earth images and Audi traffic information online. Please see page 48 for more details

Colour Driver’s Information System (DIS) with efficiency programme

Audi parking system advanced – aids parking by acoustically and visually indicating distances to obstacles with guiding lines measured by sensors and reversing camera

Audi Music Interface – universal connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards (iPod, iPod classic, iPod mini, iPod nano, iPod photo, iPod video, iPod touch). Provides intuitive control through the audio system and multi-function steering wheel. It also replicates the iPod display on the audio screen and DIS, including track titles. The interface provides charging function (dependent on device). Includes 2 cables to connect your iPod or USB MP3 player

When ordered with a sunroof (3FU/3FV) and electric trailer towing hitch (1D9), deletion of third seating row (5KM) must be added.
*Online services are only available for mobile phone contracts including a data option and only within the coverage of the mobile phone network; there may be additional costs for the use of these services (charges and billing correspond to the personal mobile phone contract). Due to high data volumes, a mobile phone contract including an unlimited data plan is strongly recommended. The content and scope of online-based services offered may vary.

21” x 10J ‘5-segment spoke’ design alloy wheels

Audi exclusive

Audi exclusive enables you to create an Audi that's unique to you, with precisely the colours, finishes and interior detailing you want. You can customise as much or as little as you like, specify just one detail or design your car's overall appearance. It's entirely up to you.

Leather and stitching colours, inlays and carpets can all be tailored, and with hundreds of possible paint combinations we're sure to find the exterior colour you have in mind. We can even mix the exact metallic paint or pearlescent shade you want for your Audi.

Or, if you'd rather leave some of the decisions in the capable hands of our designers, that's possible too thanks to the Audi exclusive line – combining some of the most popular elements of the exclusive range in one, beautifully coordinated package.

Upholstery

Audi exclusive

With Audi exclusive, you can specify your seats and any other Audi exclusive options, in Fine Nappa leather or Fine Nappa/Alcantara, from an array of different colours shown here as well as black.

Select just one all-over shade for each seat, or customise each panel in two or more complementary colours from the distinctive Audi exclusive palette – all for the same price. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, we are sure you'll be more than satisfied with the result.

Audi exclusive colours

Audi exclusive leather package in one all-over shade in Havanna brown, with black stitching

Audi exclusive leather package in two-tone design in Alabaster white and black, with Alabaster white stitching

Also available:

Alcantara colours: available in all the Audi exclusive colours shown, except for Crimson red, Jet grey and Sand beige. Alcantara equivalents are Chilli red, Amethyst grey and Sesame beige respectively.

Dashboard: available in Havanna brown, Saddle brown, Chestnut brown, Cognac brown, Classic red, Crimson red, Jet grey, Night blue, Smoky blue and Iceland green.

Please consult your Audi Centre for examples of Alcantara and carpet colours.

Options are subject to availability and may extend delivery.

Packages

Some items work well together, which is why we've created these special packages. They provide increased convenience and value by combining several of our most popular options.

Order Code			S line	S line Plus	S line Style Edition	S line Sport Edition	Basic RRP	Total RRP inc VAT
WB0 9ZW UF7	**Technology package:** ▸ Satellite Navigation system – HDD-based ▸ Colour Driver's Information System (DIS) with efficiency programme ▸ Single CD/DVD player ▸ Mobile phone preparation – High with Audi connect	▸ Power-operated tailgate ▸ DSP sound system ▸ Voice dialogue system ▸ Audi parking system advanced ▸ Audi Music Interface	●	S	S	S	£1,850.00	£2,220.00

Satellite Navigation system Plus. Hard disk navigation with topographical map display, places of interest and town models in 3D, with high-resolution 7" colour TFT display. The system offers three alternative routes, with the ability to scroll along the selected route and manoeuvre within the map. Uses 7-digit postcode recognition. Includes split-screen mode for route information, dynamic route guidance (TMC), intersection zoom function, motorway exits and lane recommendations in Driver's Information System (DIS). Includes 2 SD card readers, single CD/DVD player, 40GB hard drive and Jukebox (20GB) for storing and managing music files in WMA and MP3 format. Includes European navigation data (where digitised).

Mobile telephone preparation – High with Audi connect. Audi connect provides access to a number of innovative online services via an internal UMTS (3G) module. Audi connect online services include: navigation using Google Earth images and Google Street View, destination entry via Google Maps or myAudi, online point of interest search and information services such as weather forecasts and the latest world news. Audi connect also includes Audi traffic information online, which gives accurate real-time forecasts of the traffic situation along the chosen route. The traffic situation can be displayed on the navigation map or Google Earth image. Audi connect can also create a Wi-Fi hotspot in the car for convenient internet access using a mobile device (e.g. laptop or tablet). Many Audi connect features can be simply operated via MMI, the multi-function steering wheel or the voice control system

Important connectivity information: An external data source is required to enable the Audi connect online services. One of the two following external data sources can be used[1]:

1. A mobile telephone with Bluetooth SIM Access Profile[2]
2. A separate SIM card which can be inserted in the included SIM card reader. When a separate SIM card is used, hands free phone calls are possible using the SIM card or by connecting a different mobile telephone via Bluetooth Hands Free Profile

Options are subject to availability and may extend delivery.

– = Not available
● = Available
S = Standard

[1]Online services are only available for mobile phone contracts or SIM cards which include a data option and only within the coverage of the mobile phone network; there may be additional costs for the use of these services (charges and billing correspond to the personal mobile phone contract or SIM card contract). Due to high data volumes, a mobile phone contract including an unlimited or high usage data plan is strongly recommended. The content and scope of the online based services offered may vary.

[2]To check the compatibility of your mobile phone and whether it has SIM Access Profile compatibility, please visit www.audi.co.uk/phonecompatibility

Looking after your Audi

When you've chosen your ideal model, it's reassuring to know that it will remain in safe hands. That's why we've created products to protect your Audi: from extended warranties to Audi Complete – our comprehensive service and maintenance package. And there's also a range of Audi accessories and merchandise to choose from, enabling you to further enhance and safeguard your car.

Audi Complete

Audi Complete is simply a way to look after the servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your MOT. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts. You can also opt for our Service only or Service and Maintenance packages if you prefer.

*Retail customers only. Pricing correct at time of print and based on a 3 years/30,000 miles agreement. All pricing is a 'starting from' price for the Audi Q7 model range and is therefore subject to change and mileage/model dependent. If you drive under 10,000 miles per annum your vehicle will be placed on a fixed inspection service schedule. If your mileage tends to exceed 10,000 miles per annum it will be placed on the Flexible Service schedule.

Order Code			Q7	Basic RRP	Total RRP inc VAT

Accessories

Choosing an Audi isn't just a matter of deciding on the model you want — it's about creating a car that perfectly suits your needs. And that's why we've developed a whole range of accessories to enhance your Audi Q7, enabling you to customise it down to the last detail. Like your Audi, all these accessories are developed to the highest possible standards. And they're all available exclusively from Audi.

So whether you are looking for mats or a loadliner, to find out more just visit **audi.co.uk/accessories** or contact your local Audi Centre.

Warranty

All the accessories available on the Audi Q7 are covered by a three-year warranty* if they are ordered and included in the purchase price of the car at date of delivery. Any accessories ordered and installed after delivery include a two-year warranty.*

*Excluding Road Angel products. Audi Accessories warranty terms and conditions can be found at audi.co.uk

Merchandise

From the enthusiasts' motorsport collection to the sophisticated Audi collection, there's a wide variety of adults' and children's clothing, lifestyle accessories and collectables, all of which bear the Audi name.

Please speak to a member of our team at your local Audi Centre to see the full Audi collection and to place an order. A selection of Audi merchandise is also available to buy from **audi.co.uk/merchandise**

The Audi Difference

The experts in Vorsprung durch Technik

Our Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle.

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you enhance the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

We offer two different schedules: the fixed Inspection Service and the Flexible Service schedule. The conventional fixed Inspection Service schedule has fixed intervals for the Oil-change Service and Inspection Service, which are determined by time and distance.

With the Flexible Service schedule, the Inspection Service intervals are also fixed but the Oil-change Service intervals are variable. Sensors take account of driving style and conditions to determine when the Oil-change Service is required and the driver is informed via the on-board service interval display.

The choice of Service Schedule will depend on journey type and mileage as well as individual driving style and conditions. The table to the right can be used for guidance but your Audi Centre will help you to determine the most suitable Service schedule for you based on your individual circumstances and preferences.

Fixed Inspection Service Schedule

	Vehicle usage:
Mileage	Less than 10,000 miles per annum. Mainly city/town centre driving. Short journeys.
	Service Intervals:
Oil-change Service	Fixed to every 9,000† miles/1 year
Inspection Service	Fixed to every 19,000† miles/2 years

Flexible Service Schedule

	Vehicle usage:
Mileage	More than 10,000 miles per annum. Motorway and main road driving. Mainly longer distance journeys. Constant speeds.
	Service Intervals:
Oil-change Service	Variable to a maximum of every 19,000† miles/2 years
Inspection Service	Fixed to every 19,000† miles/2 years

When a vehicle is frequently used in the following conditions, we recommend a Fixed Inspection Service Schedule, regardless of mileage:

Uneconomical driving styles, e.g. heavy acceleration and braking, constant use of high revs

High engine-loading conditions, e.g. frequent towing and hill climbs

†As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even deliver to you.* We guarantee we can service your Audi within 5 days without a courtesy car or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.**

No hidden costs

We believe strongly in transparency when it comes to our prices. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

All part of the service

Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK, provided by Automobile Association Insurance Services Limited. Also included is roadside assistance throughout Europe, managed by Automobile Association Insurance Services Limited.

For further information and terms and conditions please visit audi.co.uk

*Subject to availability.

**Excludes wear and tear.

Audi Q7 technical data

	Diesel		
Engine	**3.0 TDI quattro**	**3.0 TDI quattro**	**4.2 TDI quattro**
Transmission	8-speed tiptronic	8-speed tiptronic	8-speed tiptronic
Cylinder	6-cylinder	6-cylinder	8-cylinder
Displacement, cubic cm (valves per cylinder)	2967 (4)	2967 (4)	4134 (4)
Max. power[1], PS at rpm	204/3200-4400	245/3800-4400	340/4000
Max. torque, Nm at rpm	450/1250-2750	550/1750-2750	800/1750-2750
Top speed[2], mph	127	135	150
0-62mph acceleration, seconds	9.1	7.8	6.4
CO_2 emissions[3], g/km	189	195	242
Benefit in kind (BIK)%	33%	35%	35%
Fuel consumption[3], mpg (l/100km) Urban	34.4 (8.2)	32.8 (8.6)	23.5 (12.0)
Fuel consumption[3], mpg (l/100km) Extra Urban	43.5 (6.5)	42.2 (6.7)	37.2 (7.6)
Fuel consumption[3], mpg (l/100km) Combined	39.2 (7.2)	38.2 (7.4)	30.7 (9.2)
ABI insurance group 1-50*	37 E	41 E	47 E
Unladen weight[4], kg	2300	2300	2440
Gross weight limit, kg	3125	3125	3265
Roof load limit/nose weight, kg	100/130	100/130	100/130
Max trailer load unbraked[5], kg	750	750	750
Max trailer load with 12% gradient[5], kg	3200	3200	3200
Max trailer load with 8% gradient[5], kg	3200	3200	3200
Luggage compartment capacity/seats folded flat, litres	330/2035	330/2035	330/2035
Fuel tank capacity approx, litres	100	100	100
Emission standard	EU5	EU5	EU5

*Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit www.thatcham.org/abigrouprating for details.

[1]The given values were obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

[2]Top speed is achieved in 6th gear.

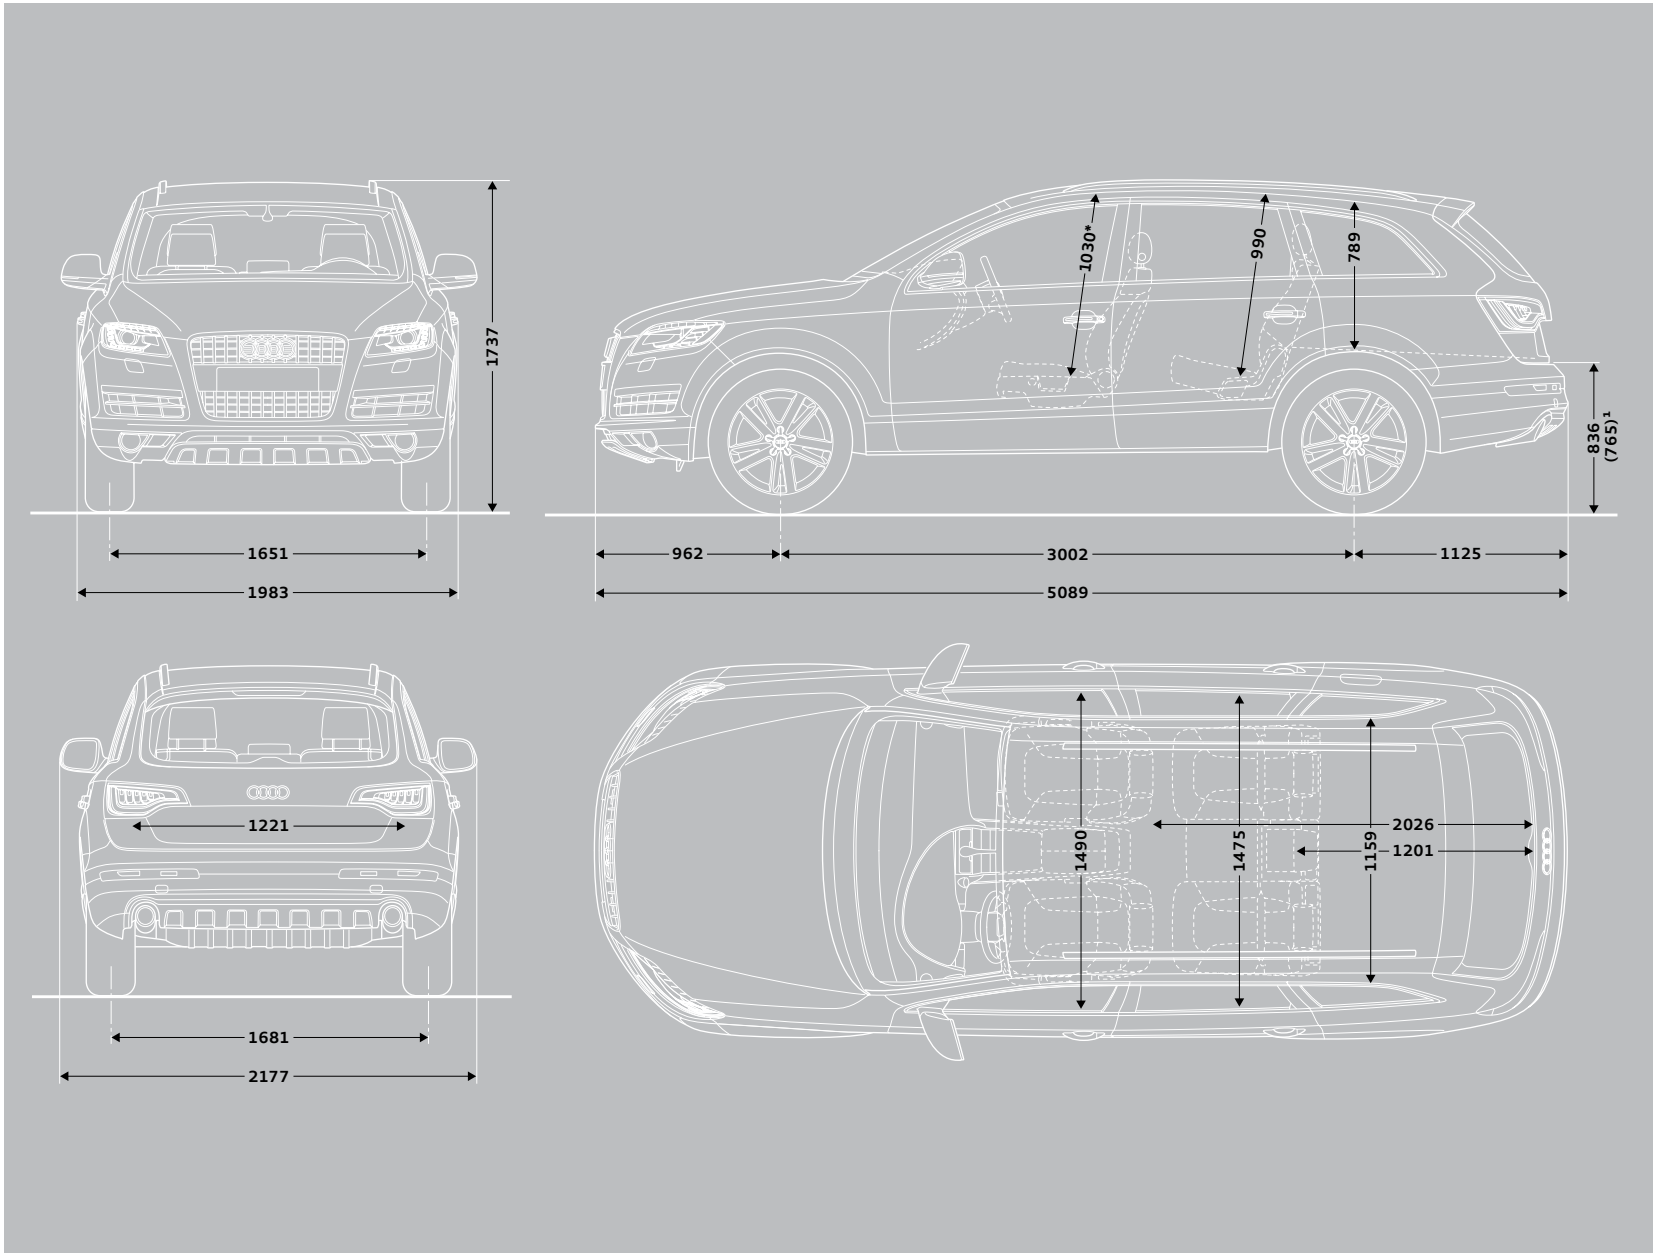
[3]Fuel consumption and CO_2 emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.vca.gov.uk

[4]Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 92/21/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

[5]The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle). Value applies to trailer load for factory-fitted trailer towing hitch.

Audi Q7 dimensions

The technical drawings opposite show the exact dimensions of the Audi Q7, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.



Dimensions in millimetres.

*Maximum headroom.

Dimensions measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load. Luggage load area in litres: 330/2035 (measured by the VDA standard test method using 200 x 100 x 50mm blocks. Second value is with the rear seat folded down and the vehicle loaded up to the roof height).

Turning circle approx 12m.

[1]With air suspension, in lift mode.

Pricing and Additional information

Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we want to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

Audi Promise

Audi Centres

We guarantee that all our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm
Saturday 9am–5pm

Service: Monday to Friday 8am–6pm
Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20%, but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£471.66
Number plate	£20.00
VAT	£98.34
Total	£590.00

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- A 3-year paint warranty
- A 12-year anti-corrosion warranty
- 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call 01908 548 356.

Audi Finance

Audi Finance specialises in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there is a range of funding options to choose from.

Below is the full range of finance products, which comprises:

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter which Audi model you choose, your local Audi Centre can provide you with a personalised quote designed to fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance

We want you to start enjoying your new car from day one and thanks to Audi Insurance complimentary 7-day cover, you can. Call free on 0800 316 7893 (lines are open Monday to Friday 8am–9pm, and Saturday 9am - 5pm), provide a few details and a cover note will be sent to your Audi Centre. They will then tax your car and you can drive it away.

Audi Insurance is a trading name of Volkswagen Insurance Service (Great Britain) Limited, an appointed representative of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230. Audi Insurance is sold, underwritten and administered by Allianz Insurance plc registered in England number 84638. Registered office 57 Ladymead, Guildford, Surrey GU1 1DB. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are authorised and regulated by the Financial Conduct Authority. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are not part of the same corporate group.

Additional information

CO_2 data and information

CO_2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO_2) a vehicle emits, measured in grams per kilometre (g/km). First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00
C – 111 to 120g/km	£0.00	£30.00
D – 121 to 130g/km	£0.00	£110.00
E – 131 to 140g/km	£130.00	£130.00
F – 141 to 150g/km	£145.00	£145.00
G – 151 to 165g/km	£180.00	£180.00
H – 166 to 175g/km	£290.00	£205.00
I – 176 to 185g/km	£345.00	£225.00
J – 186 to 200g/km	£485.00	£265.00
K – 201 to 225g/km	£635.00	£285.00
L – 226 to 255g/km	£860.00	£485.00
M – over 255g/km	£1,090.00	£500.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate.
